**Re: Referral of Complaint of Employment Discrimination**

Dear Mr. Kroning:

This is to notify you that a complaint of employment discrimination filed with the U.S. Environmental Protection Agency (EPA) External Civil Rights Compliance Office (ECRCO) against your office is being referred to the U.S. Equal Employment Opportunity Commission (EEOC). The complaint generally alleges that an individual was discriminated against by the Wastewater Division in the Department of Design and Construction of the City and County of Honolulu (Honolulu) in the individual's employment duties because of their race. After careful review, ECRCO has concluded that it lacks jurisdiction to accept the complaint for investigation. Accordingly, the case is closed as of the date of this letter.

Pursuant to EPA's nondiscrimination regulation, ECRCO conducts a preliminary review of each administrative complaint for acceptance, rejection, or referral. To be accepted for investigation, a complaint must meet the jurisdictional requirements described in EPA's nondiscrimination regulation. First, it must be in writing. *See* 40 C.F.R. § 7.120(b)(1). Second, the complaint must describe an alleged discriminatory act that, if true, would violate EPA's nondiscrimination regulation (*i.e.*, an alleged discriminatory act based on race, color, national origin, age, sex, or disability). *Id.* Third, it must be filed within 180 days of the alleged discriminatory act. *See* 40 C.F.R. § 7.120(b)(2). Finally, the complaint must be filed against an applicant for, or recipient of, EPA assistance that allegedly committed the discriminatory act. *See* 40 C.F.R. § 7.15.

The complaint alleges employment discrimination on the basis of race against a recipient of EPA financial assistance. However, ECRCO's jurisdiction over employment complaints is limited by

EPA's nondiscrimination regulation. EPA's nondiscrimination regulation, at 40 C.F.R. § 7.35(a)(6), states that:

As to any program or activity receiving EPA assistance, a recipient shall not directly or through contractual, licensing, or other arrangements on the basis of race ...

[d]iscriminate in employment on the basis of ... race ... in any program or activity whose purpose is to create employment; or, by means of employment discrimination, deny intended beneficiaries the benefits of EPA assistance, or subject the beneficiaries to prohibited discrimination.

The allegation of employment discrimination in this complaint does not fall within EPA's limited jurisdictional authority relating to employment complaints as it does not allege race discrimination in a program or activity whose purpose is to create employment; or, by means of employment discrimination, deny intended beneficiaries the benefits of EPA assistance, or subject the beneficiaries to prohibited discrimination.

ECRCO is therefore closing this complaint and referring it to the Equal Employment Opportunity Commission (EEOC), which may have authority to address the complaint allegations. Accordingly, please direct further communication regarding this matter to EEOC's Honolulu Local Office Director, Glory Gervacio, who can be reached by telephone at 1-800-669-4000, or email at [glory.gervacio@eeoc.gov](mailto:glory.gervacio@eeoc.gov). In addition, the EEOC Honolulu office's mailing address is 300 Ala Moana Blvd., Room 7-127, P.O. Box 50082, Honolulu, Hawaii, 96850-0051.

If you have any questions, please contact Jonathan Stein by telephone at (202) 564-2088, via e-mail at [stein.jonathan@epa.gov](mailto:stein.jonathan@epa.gov), or by mail at U.S. EPA Office of General Counsel External Civil Rights Compliance Office (MC 2310A), 1200 Pennsylvania Avenue, N.W., Washington, D.C. 20460.
